### Keynote Address 1

#### "Development: Which Way Now?"

Dr. Bishwapriya Sanyal

Professor, Department of Urban Studies and Planning,  
Massachusetts Institute of Technology

Dr. Bishwapriya Sanyal is the Ford International Professor of Urban Development and Planning and Director of the Special Program in Urban and Regional Studies (SPURS)/ Hubert Humphrey program at the Massachusetts Institute of Technology. He served as Head of the Department of Urban Studies and Planning at MIT from 1994 to 2002 and was the chair of the entire MIT faculty from 2007 to 2009. His research, teaching and academic leadership reflect his multidisciplinary education in Architecture (B.A.), Urban Planning (MUP), and International Development Planning (PhD). His research covers such areas as planning organizations and theories of project implementation, history of planning ideas, and international planning education. He has received MIT's prestigious award for teaching – the MacVicar Faculty Award in 2011, Gill-Chin Lim Global Award for his contribution to scholarly research on humanistic globalization in 2018, and ACSP's Distinguished Educator 2021 Award.

### Keynote Address 2

#### "Post-pandemic Transformations: Re-casting Development in an Uncertain World"

Dr. Melissa Leach

Director, Institute of Development Studies, University of Sussex

Dr. Melissa Leach is a social anthropologist and Director of the Institute of Development Studies (IDS) at the University of Sussex. She has led numerous interdisciplinary, policy-engaged research programmes in Africa and beyond. Amongst external roles, she was vice-chair of the Science Committee of Future Earth 2012-2017, lead author of the 2016 World Social Science Report 2016 on Challenging Inequalities and the UN Women's World Survey on the Role of Women in Economic Development 2014, and is a member of the International Panel of Experts on Sustainable Food Systems (IPES-Food). She is currently working on COVID-19 as co-lead of the Social Science in Humanitarian Action Platform and the Wellcome Trust-funded Pandemic Preparedness Project. She is a Fellow of the British Academy and in 2017 was awarded a CBE for Services to Social Science.
