04 DECEMBER (WED) 14:45-16:15
@AUDITORIUM, GSID (GSID BUILDING 8F)

1. Career in International Cooperation-Development Consultants (ECFA)
2. Career paths and work in Development Consultants (Graduates Miki Kobayashi)
3. Q&A

MIKI KOBAYASHI
GSID GRADUATES
SANYU CONSULTANTS INC.

After graduating from the Faculty of Agriculture at Kyoto University, Ms. Miki Kobayashi worked for 4 years at a public interest incorporated foundation primarily implementing JICA training programs, handling projects related to industrial promotion, regional development, and rural development. Subsequently, in 2022, after earning a master's degree at GSID, with a thesis on how coffee farmers in Timor-Leste adopt technologies and knowledge, she joined Sanyu Consultants Inc. Since 2023, she has been working in its International Department, responsible for training programs in greenhouse cultivation and agricultural insurance projects in ASEAN countries and Ethiopia.

KEIKO KONO
CARRER CONSULTANT
ENGINIARRING AND CONSULTING FIRMS ASSOTIATION (ECFA)

After completing her master program at Hiroshima University, Ms. Keiko Kono worked as an educational program producer at NPO for CSR projects. Then, she was involved in public relations and training at the Japan International Cooperation Agency (JICA). Ms. Kono then joined ECFA, where she is responsible for human resource development, public relations, and job placement support.
