University Information (Information when enrolled) in the First Registration Procedures

In the First Registration procedures, your university information (information when enrolled) is required to enter.

Screenshot of the relevant procedure

The affiliation in the" University Name" field must be selected according to the certificate you need. (e.g. If you need an undergraduate certificate, select "Nagoya University"; if you need a graduate school certificate, select "Graduate School of Nagoya University")

In case you need a certificate from GSID, please refer to the following.

① University name > Select "Graduate School of Nagoya University".

② School name > Select "International Development".

③ Department name> Select one of the following.
International Development "DID"
International Cooperation Studies "DICOS"
International Communication "DICOM"
International Development and Cooperation "DIDC"
※Department of International Development and Cooperation "DIDC" applies to all students entering in April 2018 and thereafter.

④ Year and month of graduation
If you are requesting a certificate for a master's program, the year and month you completed, withdrew or expelled the master's program. If you are requesting a certificate for a doctoral program, please enter the year and month for the doctoral program.
