

# To those who will graduate in FY 2024

# Let us know your plan

# after graduation from NU

At Nagoya University, everyone in the graduation/ final year is required to report on their career plans (employment, graduate school, etc.) after graduation. Please be sure to enter information as soon as you decide your own plan. Thank you for your understanding and cooperation.

## ○Login to NU – NAVI

Enter your THERS account to login at

<https://www2.kyujin-navi.com/sp510>

## ○Please report on your plans after graduation at 「Career Report Registration/進路報告登録」 (Required)

Your information will be used for the "School Basic Survey" (designated statistics) by the Ministry of Education, Culture, Sports, Science and Technology and various other survey statistics. We would like to ask your understanding of the purpose and cooperation. The contents of the report will be also used for the purpose of career guidance for younger students and statistics related to career and employment at NU. Your personal name will not be leaked to anyone outside the university.

## ○Please share your job-hunting experiences for the benefit of younger students at "job hunting report" which will be shown in the part of "Career Report Registration".

This is very important information to be used as a reference when your juniors seek jobs next year and beyond. Your personal information will be kept confidential, so there is nothing to worry about. We welcome your active contribution of information!
